		TONS.
(iii) Total requirements of millets for consumption and seed	...	1,417,000
(c) Wheat	... ...	52,000

Clause (iii)—*Supplies expected from the Centre.*—The Government of India agreed to supply 4,000 tons of rice per mensem to fair price shops up to the end of February 1958 on a loan basis. No other supply is expected from the centre in 1958. So far as wheat is concerned, about 55,275 tons were supplied to this State by the Government of India during 1957. About the same quantity, viz., 55,000 tons may be expected to be supplied during 1958 also for sale to consumers through fair price shops.
